## Self-Assessment: Do You Need More Tiny Habits in Your Life?

## Presented By Connie Ragen Green

Answer the following questions to determine how many tiny habits you currently have in your life and how you can increase that number to reach your goals.

- 1. Are you content with your life overall?
  - o I love my life!
  - o No, I feel like something is constantly missing.
  - o I'm somewhere in between.
- 2. Are you content with your job/career/business?
  - o I'm living the dream!
  - o I'm surviving; not loving it but not hating it either.
  - o No, I need something more.
- 3. Are you content with your relationships and social life?
  - o Very happy!
  - I could use more friends.
  - o I have plenty of friends but I'm ready to find my soul mate.
  - o No, I'm basically a hermit with no social life.
- 4. Do you know what your ultimate goals in life are?
  - Yes, I'm working hard to meet them.
  - Whenever I set goals, it takes too long to reach them that I lose my momentum.
